Space…….the final frontier.

Yes that's right, if you're ready to explore the final frontier then

The Federation of Galaxy Explorers Summer Camp

Is for you!

Join us for the adventure of a lifetime! In 2004, all Federation of Galaxy Explorers campers will have the opportunity to use their knowledge of science, engineering, rocketry and space citizenship to explore all dimensions of the first permanent outpost off our home planet, called "Moon Base One".

You will even build and launch rockets, see the galaxy at star parties, see how spacecraft are built, and conduct all sorts of fun and exciting experiments.

At NASA Goddard Space Flight Center Visitor Center
for Grades 4th through 8th
August 9-13, 2004 8:30 am – 4:00 pm Monday – Friday, or
