

Federation of Galaxy Explorers Summer Camp 2005 Moon Base One

Congratulations!

Your child has been selected to attend the Federation of Galaxy Explorers Moon Base One Summer Camp at Liberty Middle School on July 11-15th. We are looking forward to an exciting week full of fun and adventure.

Here are some important things to keep in mind before the camp begins:

 **Hours:** The camp runs from 9:00am to 4:00pm each day. As a consideration to our all-volunteer staff and to ensure your child does not miss any of the exciting activities, please be prompt when picking up and dropping off your camper.

 **Camper Agreements:** Included in this package is a camper and guardian agreement. Please review the information with your Galaxy Explorer and bring the completed agreement with you on the first day of camp.

 **Food:** Your child should bring lunch and a snack to camp each day. There are no facilities available for refrigeration.

 **Medical Concerns:** Please email Julie at asdfjay@cox.net immediately if your child has any medical conditions or allergies of which we should be aware. Please put "Camp Medical Information" in the subject heading. Ensure that your child has any necessary medication with them each day at camp.

Updates: For updates and more information about the camp go to www.foge.org. If you have any questions, please contact Julie Kelly asdfjay@cox.net or Nick neftimiades@foge.org.

Volunteers Needed – help us reach for the stars!

The Federation of Galaxy Explorers is an all-volunteer program. We are still looking for people to help with the summer camp. No experience is necessary, and high school students and parents are encouraged to volunteer. If you or someone you know would be interested in helping, please contact Julie Kelly asdfjay@cox.net.

Thank you for your interest in Galaxy Explorers and we'll see you soon!

Federation of Galaxy Explorers Camper Agreement

Please review this form, complete it, and bring it with you on the first day of camp.

Federation of Galaxy Explorers Guide Stars

- The **vision** of the Federation of Galaxy Explorers is to expand the frontiers of science and technology to explore and develop space.
- The **mission** is to educate, guide, and prepare the next generation to accept the challenge of expanding humankind's presence in space.

1. The future welcomes everybody.
2. I will support the vision and mission of the Federation of Galaxy Explorers.
3. I will be honest.
4. I will be enthusiastic.
5. I will work as a team and support my fellow Galaxy Explorers.
6. I will treat everyone with kindness, respect, and dignity.
7. I will make opportunities, not wait for them to happen.
8. I will do my best at everything I do.
9. I will make the world a better place.

CAMPERS:

I have read and understand the Federation of Galaxy Explorers vision, mission, and guide stars. I agree to abide by them throughout camp. I understand that teamwork, cooperation, and good behavior are important for a successful camp. If my behavior does not reflect the Galaxy Explorers Guide Stars and becomes disruptive, I may be asked to leave camp.

PARENTS:

I have reviewed the Federation of Galaxy Explorers vision, mission, and guide stars with my camper. I have discussed the importance of teamwork, cooperation, and good behavior with him or her. I understand that the Federation of Galaxy Explorers reserves the option of requiring the withdrawal without refund of any child whose inappropriate behavior prevents the camp participants from proceeding constructively despite the efforts of staff and parents. There are no provisions for supervising children after camp hours, and Galaxy Explorers does not assume responsibility for them. Photo and video recordings of the children may be used for publicity purposes. The Federation of Galaxy Explorers does not discriminate on the basis of race, color, nationality, or ethnic origin in administration of its programs
